

Fleet Feet Sports
1708 Augusta Street
Greenville, SC 29605

To Whom It May Concern:

Fleet Feet Sports was getting ready for its busy season in August, 2010. Unfortunately, our entire store was flooded after a water main busted ruining sheetrock, tile, molding, doors and service counters.

We immediately called Garner Johnson Builders because they came highly recommended by not only our employees but several of our own customers. Garner Johnson worked with the insurance provider, adjuster, landlord and several different Fleet Feet managers to ensure that all work was completed within budget and as fast as possible.

Fleet Feet used the opportunity to “refresh and remodel” the store for the new season. This required new designs, paint, fixtures, tile, moldings and displays. Garner Johnson worked day and night to complete the project within 10 days.

I would highly recommend Garner Johnson for any retail commercial build-out, remodel or new construction.

Sincerely,

Sheila McCullough
Owner- Fleet Feet Greenville
